

Kleikaarten

Feest!

Maak een keuze uit de zwart-witte of gekleurde kleikaarten.
Print de kleikaarten en lamineer ze.

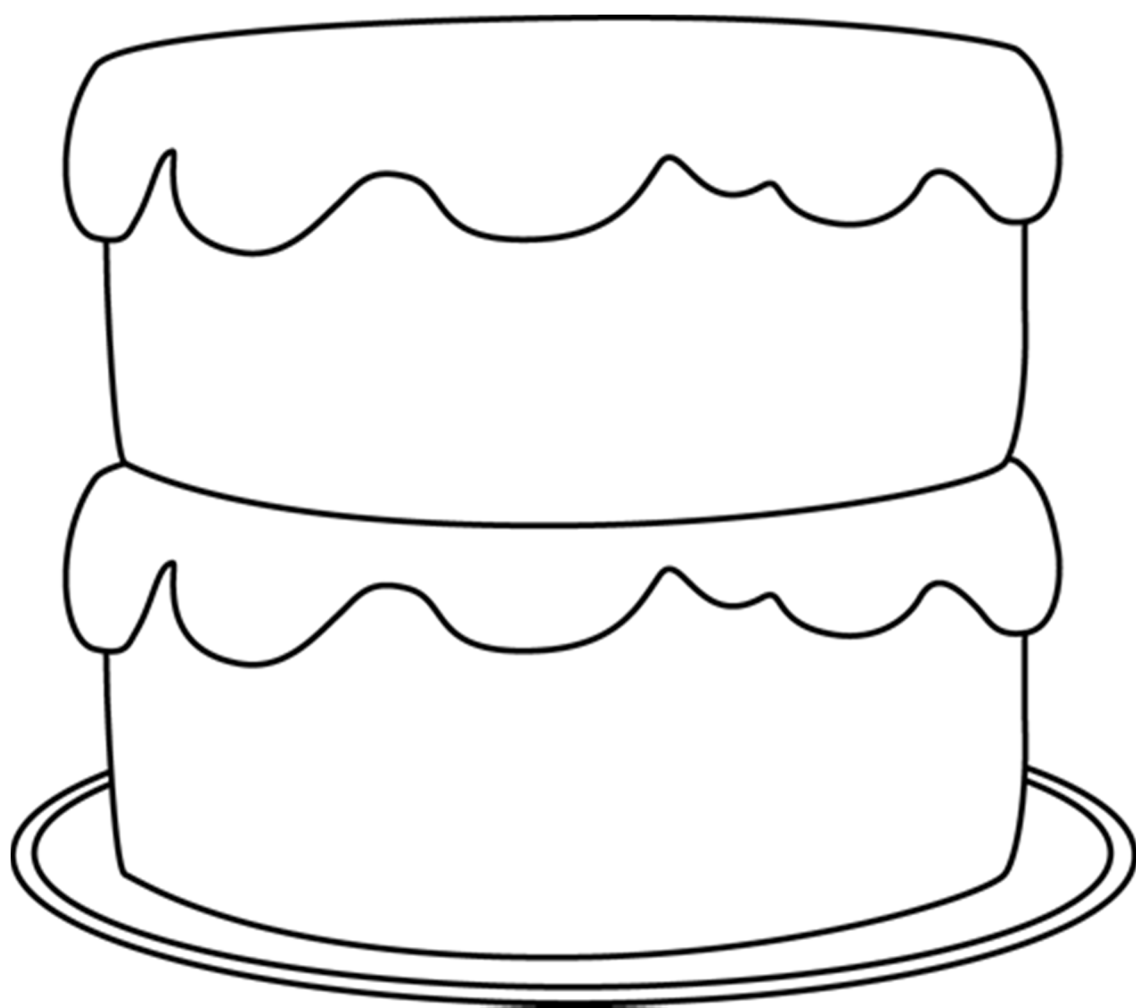

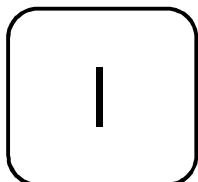

De kinderen kleien versiering voor de taart (kersen, kaarsjes, chocolade,
toefjes slagroom of.....).
De hoeveelheid die gekleid moet worden, staat linksboven aangeven.

Op de blanco kleikaart kun je zelf,
met een whiteboardmarker, een getal invullen.

Veel plezier!
