

logi-leggers

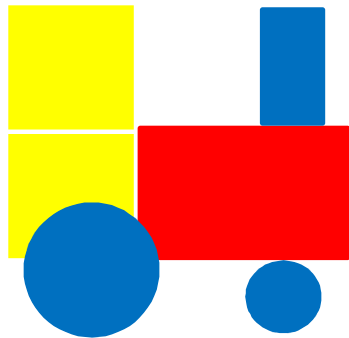

Benodigdheden: logi-leggers en 1 doos logiblokken

De logi-leggers zijn voorbeeldkaarten voor de logiblokken.
Je kunt ze gebruiken ter introductie in de kring en tijdens de werkles.
De kinderen pakken een kaart en leggen het voorbeeld na.

Er is een onderscheid in grote en kleine blokken.

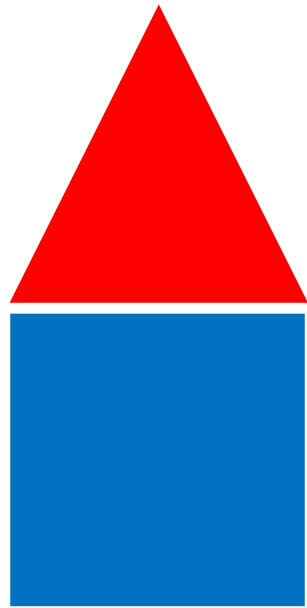

Naar de dikte hoeft niet gekeken te worden.

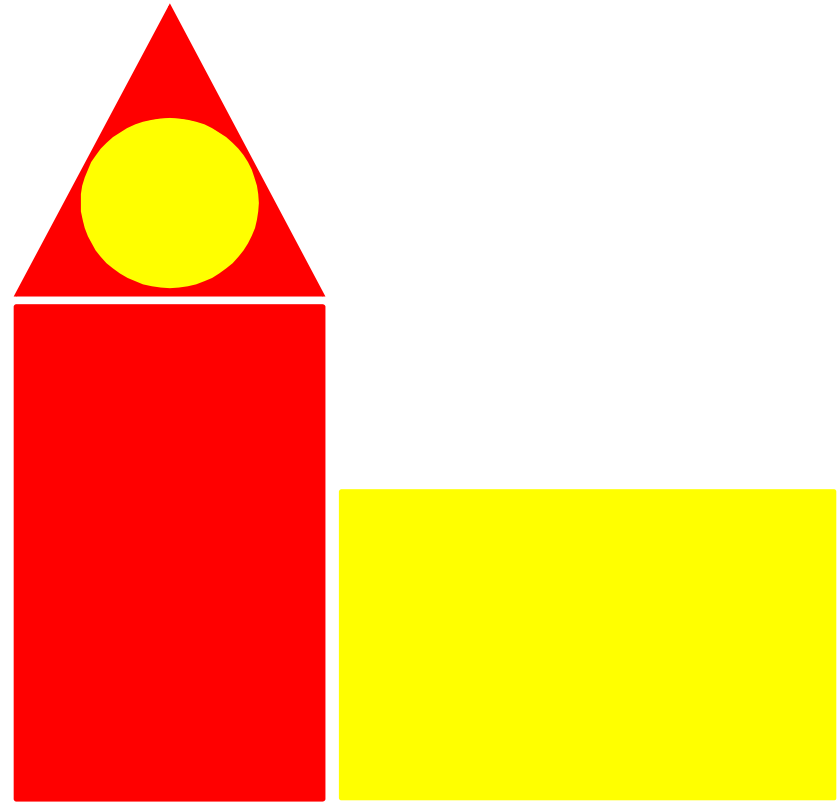

veel plezier!
